## **WE ARE THE REAL ONES**

**For we were not making up clever stories when we told you about the powerful coming of our Lord Jesus Christ. We saw his majestic splendor with our own eyes**

**2 Peter  
1:16 NLT**

**W**e have not followed cunningly devised fables about God's prophetic vision for the church and the world. The time is coming when the world will come to understand that it was through Christianity and the gospel of the Lord Jesus Christ that all the nations find their fulfillment. Every quest to solve global issues is all encapsulated in the purpose of the gospel of Jesus Christ.

This is why you should not faint in your walk of faith. We are not deceived people. Those who are deceived are those who are under the system of this world. If they were not deceived, consider how many years of attempting to solve global issues have elapsed without

solutions. Further, these solutions are never forthcoming; new problems arise while even the solutions to previous problems are not found. This is because there are many who control the world for their advantage, and will continue to create problems and simulate solving them to keep the human race under siege and control.

Only the church is the light in this darkness; only the church is the answer to our world. Therefore, you should pursue your walk of faith and your role in changing the nations and the world, especially through prayer and the call of being a Christian.

**Proclamation**

I am the solution to the world's problem as a member of the body of Christ. Because of the wisdom of God that is expressed through the Holy Spirit, I'm able to provide solutions for my world. As I pray, the world is pulled out of its darkness. I am not passive, and they are brought out of their deception.

## THEY ARE RATHER BLIND

In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God.

2 Corinthians  
4:4 ESV

**I**t is more important now than at any time to be confident in your call as a Christian and the divine cause that is ahead of us. Those who criticize the faith are termed profane and vain '**babblers**'. They speak lies in deception; they are the ones the Bible has said have blinded eyes. In the verse above, they are not of the nature of the children of the apocalypse. For them, reality is not revealed. They are being blinded by the power of this age, and the Bible also identifies them as those who do not love and embrace the truth (See 2 Thessalonians 2:10).

It will be a shame for a Christian, given all the reality of God's Word that has been deposited in your spirit, to at

any time doubt the promises of God for His Kingdom. Which is why you earlier learnt that we have not followed cunningly devised fables.

We are on the most important wave of the earth, if anything, the red spot of the earth. Therefore, the devil will do everything possible to deceive many people from the truth, as simple a truth as it were. So, you should rather be confident in the truth and stand for the cause that is ahead of us, because the world needs answers now and it is depending on those that God has positioned at this time. For if we do not speak the mind of God concerning the nations, as we shared a few days ago, they will speak the lies and the deception that the god of this world has so blinded their eyes into.

### **Prayer Instruction**

Spend 7 to 10 minutes in prayer over the following topics:

1. Pray that many who are deceived in this world will be brought to the light of truth through the gospel in your mouth.
2. Pray that the influence of evil spirits that have blinded their eyes of understanding will be taken away.

## THE EPOCH OF DIVINITY

Then I saw four angels standing at the four corners of the earth, holding back the four winds so they did not blow on the earth or the sea, or even on any tree.

Revelation  
7:1 NLT

**T**here have been four instrumental epochs of history. These epochs are pillars that defined civilization and the development of what has been called the new world. Along the line of history, certain periods saw the emergence of these influential patterns. They were military, religion, politics and the last one, economics. These have gone on to define human history.

At certain times, these epochs of history worked hand in hand. For instance, there were periods where we found that religion worked hand in hand with military conquest. I believe religion has to be defined as the quest to

associate with the divine rather than the ritualistic practices that follow such quests.

The reality on the ground is that men have never disassociated from the essences of the divine. In fact, divination or diviners have been very much a part of the historic evolution of wars. Ancient cultures like those in Greece, the Vikings, and several other historic patterns had their military conquests determined by certain forms of consultation with the divine through certain processes like '**hepatoscopy**', where even the livers of animals were cut open and used as mediums to connect to the supernatural to determine whether wars were supposed to be embarked on, or strategies to win wars. Even to date, such forms of divine consultation have been employed in modern world politics, like the Istikhara in Iran.

These practices refer to consultations in terms of bibliomancy, where certain books are consulted to catch a glimpse into the supernatural and find answers to certain questions and quests. This explains why it is important for you to understand that spirituality can never be divorced from the systems of this world. Being a Christian is actually the greatest advantage because you are brought into light with Almighty God's perspective of all things; things that many in world politics,

economics, and other global pursuits seek through demonic forms of divination in the high places. Hold on tight to your faith today.

**Proclamation**

My faith is my most prized possession. Because of my belief in God and the importance of His ministry in my life, I don't walk in the confusion and the deception of this world. I rather bring answers to many who need consultation with the divine, because of the Holy Spirit.

## SEEING THROUGH PRAYER

Watch and pray that you may not enter into temptation...

Matthew  
26:41 ESV

**I**n light of what we have shared, prayer becomes an important means for us to understand the will of the Divine.

While historic perspectives focused on medium consultation and divination, we have been given access not just to the divine, but to the Divine God, the plan of the Divine God for our world, and the agency of the church in this chaotic world. What they try to see through mediums, we can see through prayer.

What they try to find out from consultation, we can receive direction from the Holy Spirit, and this gives us a divine connection with God's plan and purposes. It is important then for you to pride yourself in the call to

pray. For as others who are deceived and blind think that these are just mere spiritual rituals, you have to be so connected to God's divine state and plan and know that you are the one through whom God will speak and reveal as you pray.

Your heart begins to become a receptacle for His divine purposes as you spend time praying, seeing God's plan and bringing it to pass.

**Prayer Instruction**

Spend 7 to 10 minutes in prayer on the following prayer topics:

1. Pray that you are divinely conscious of God's plan to affect your world around you. Pray that you can see, hear, and understand the plan of God.
2. Pray that you have become a dependable receptacle of God's divine purpose even as you spend time praying, and that God will speak through you to affect others.

## **THE DIVINE ESSENCE OF ALL THINGS**

**For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him.**

**Colossians  
1:16 ESV**

**T**he belief that religion has been overemphasized is one of the demonstrations of the fall of Adam. The tree of knowledge of good and evil was birthed from this knowledge that questioned God. Even more, religion is not the goal; though it accounts for much of human civilization, no one can blot away the influence, power, and impact of religion on human life or civilization.

Religion simply means a quest to be associated with the divine. The foundations of our world have been premised on this. Science is not trying to erase religion, nor is any

political power trying to erase religion; they rather establish it.

Only the unwise think that association with the divine must be wiped away to get people out of bondage. In truth, some people are deceived because they do not know the truth.

Even so, God's purpose is not religion. God's purpose is Himself. He reveals Himself to us. And that has been the ultimate quest of the human spirit: to be associated with God and the divine order. That is what all the science and social deliberation of the world is headed towards.

This is what God gives us in Christianity. For this reason, we must understand that as Christians we are part of a greater work of God, even beyond religion. In Christianity, we are associated with God in fullness. God has called us to be the light to our world and a prophetic voice to our world through our unity with the divine essence.

### **Proclamation**

Because of my calling as a believer, I am part of God's greater work in this world that far surpasses the practice of just religion. I'm associated with God in fullness, and He has called me to become His light and a prophetic voice to the world. I will fulfill my destiny, even today.

## THE PROPHETIC CHURCH

In the last days,' God says, 'I will pour out my Spirit upon all people. Your sons and daughters will prophesy. Your young men will see visions, and your old men will dream dreams.

Acts 2:17  
NLT

**A**s we studied yesterday, there is, therefore, an importance for the church today to stand and fulfill her mandate. As we come to the close of this age, there are going to be more evident cases of divination, and diviners with the consultation of mediums by many powers of the world, as the world is reaching its crunch period to look for answers. But these are answers that God has given through the church.

If we don't play our responsibility as the prophetic church of the last days, and don't become the church that speaks the mind of God concerning the nations and concerning the peoples, the world in its frustration will consult all

demonic forms and media in addressing the future of our world for solutions.

This is why we are shown in the last days that God will pour out His Spirit so that His sons and His daughters shall become the voices that will prophesy His mind to the world, and the medium through which His divine visions of reality and of His kingdom will be made known to all nations that will be brought under Him.

Indeed, the Christian quest is the most enduring vision that God will have all men brought into, as it encapsulates Christ's peace for the world. This is why you must take your walk with God seriously as His prophetic voice in the last days.

### **Prayer Instruction**

Spend 7 to 10 minutes in prayer over the following topics:

1. Pray that your heart will be open to receive the deep things that God wants to communicate to our world. Declare that you are a dependable receptacle of these deep things.
2. Pray that through you, God can touch your world as His prophetic voice to people around you and to the nations.

## THE FUTURE OF THE WORLD

By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.

Hebrews  
11:3 NKJV

**T**he future of this world will not be possible without the church. As we have clearly stated, you are God's prophetic voice and prophetic message to the nations. It is true that God's plan will be unveiled to the nations so that they may turn to Him and repent.

It is therefore important for you to exercise your role as we continue to do. When you pray, there is an element called prophecy, which goes beyond just telling forth what is in someone's life; it involves prophesying the mind of God for the nations or for the people of the world. By doing this, we are able to create a world order that fits God's plan for the nations. So when we pray for

the nations, we are actually prophesying the mind of God, His plans, and His purposes for them, so that they do not walk in the way of deception or in the way the devil has structured the world system.

Rather, they begin to conform to God's plan. As we pray and prophesy, we are able to speak God's plan and purposes and arrange them in such a way that the nations will soon conform. This is what is called the obedience of the gospel, and it is only by casting down imaginations and praying that we bring all the world into such conformity.

**Prayer Instruction**

Spend 7 to 10 minutes to pray on this:

- Pray that God’s plan and His purpose for humanity is made plain to them, so that they do not walk in the way of deception or in the way that the devil has structured the world system.
- Declare that they are rather conforming to God’s plan.

## CHILDREN OF THE APOCALYPSE

...Your sons and Daughters shall prophesy

ACTS 2:17  
KJV

**Y**ou are a child of the apocalypse. The apocalypse refers to the revelation and unveiling of all things. You are a child of the revelation of the last days. It is in our day that many parts of the scriptures concerning God's revelation of the times in which we find ourselves will be fulfilled.

Therefore, we must be sensitive to our call as children born in this time and part of what God is doing. We are the children to whom and through whom the plans of God are unveiled. We are the ones to whom the mind of God has been revealed. In the scripture above, this is referred to as the deep things of God.

The deep things of God truly spell out His heart; they are the things that God has on His heart. It is through the human race that understands these heart things that He will fulfill His purpose and become a voice to the nations. God expects you to live as a child of the apocalypse.

Therefore, you must be open to receive from Him His present word for the times. Do not slack in your pursuit. We are closer to the birth pangs of our age. These pangs represent the full climax of earth's troubles, and we must be prepared for their fulfillment.

**Proclamation**

I am God's child of the apocalypse, revealing God's plans and purposes about the last days and the end times to my world. Because of that, I live with this consciousness. I live with this understanding. I am positive that my calling will be seen in this present world to bring God's purposes to pass.

## THE OBEDIENCE TO CHRIST

**The kings of the earth take their stand.  
And the rulers conspire together  
Against the LORD and against His  
Anointed**

**Psalm 2:2  
NASB**

**I**n the verse above, we see an important explanation stating that the nations of this world are at loggerheads with God. In reality, what causes this state of conflict is the spirits that are at loggerheads with God.

They are evil spirits in rebellion against God. They inspire the nations, the leaders of the nations, and people as well to be at loggerheads with God and not to accept the rule of God or His principles. So they are in rebellion against God.

Now, if we look at the scripture below in 2 Corinthians 10:5, we see that these spirits have the ability to exalt themselves against the knowledge of God and so they

inspire men to do that. However, when we pray, we bring all these evil forces into subjection and into the obedience of the gospel of Christ. So they come into obedience to Christ. Now, that's on the part of prayer.

**Prayer Instruction**

Spend 7 to 10 minutes to pray on this:

- Declare that in the name of the Lord Jesus Christ, all the evil spirits that inspire men to walk against the knowledge of God in their delusion are brought all under subjection into the obedience of Christ and of the gospel.
- Spend time to pray this way.

**WHAT'S YOUR RESOLVE?**.....  
.....

## **COMMANDING THE OBEDIENCE OF CHRIST**

**We are destroying arguments and all  
arrogance raised against the knowledge  
of God, and we are taking every thought  
captive to the obedience of Christ**

**2 Cor 10:5  
NASB**

**T**here's a second element that goes with this, which is the preaching of the gospel. As we pray for the people that we're in contact with, as we pray for the people of the world in our sphere, in our contacts, what we do is that we bring down all these spiritual forces that have control over them into the obedience of Christ.

But when we preach the gospel as well, we also command the obedience of Christ to every single one of them. So when men accept the gospel, they also succumb

to the obedience of Christ. It is by these two factors that we're able to bring the people into obedience to Christ.

Now, the scripture reveals in 2 Corinthians 10:25 that Jesus Christ must reign until all His enemies are put under His feet. And these enemies are the evil spirits that try to lord over people's lives. This is why it's important for you to pray as we advance through this world and bring the changes that our kingdom has so designed to be.

**Prayer**

- Thank You Lord for the opportunity to preach the gospel and to command the obedience of the gospel to the world around me.
- I declare in the name of the Lord Jesus that as I go out to speak the gospel today as part of my daily routine, I get them to come into the obedience of Christ. Those who hear me obey the gospel and I bring them into the faith.

**WHAT'S YOUR RESOLVE?.....**

## THE ROD OF OBEDIENCE

...and he will rule them with a rod of iron.

Revelation  
19:15 ESV

**W**e share the reality of the obedience of Christ through the gospel, it is part of the global fulfilment of our world. When you subsequently look at God's plan in the book of Revelation, you will find that there is a massive throng of multitudes of people who come to the obedience of Christ (See Revelation 7:9).

The obedience of Christ means that they come to obey His kingdom, come to obey His rule, and become part of it. Now, this is very essential. Jesus Christ is said to be the one who will rule the nations with a rod of iron. In fact, we, the church who overcome with Him, are also promised to rule with Him with a rod of iron. The rod of iron symbolizes His authority, by which all the nations

will obey because He holds the scepter and is the only potentate of power in the world at this time.

Interestingly, this rod that we see here is actually the proclamation of the gospel. It is only as we preach this gospel, win men's hearts, and cause them to come to the obedience of Christ that they be conformed into the kingdom that will emerge in the future, conforming to the rule of Christ. Those who are without the kingdom; those who do not enter the kingdom and live outside of it, will not be under His rule but will be under bondage. This is why it's important for you now, more than at any time, to know that the gospel that you are proclaiming is actually the rod of iron with which He would use to rule the nations.

**Proclamation**

- I overcome with the Lord Jesus Christ by the preaching of the gospel and by praying to subject all spirits to the obedience of Christ.
- As I subject evil spirits that are working to inspire men not to respond to the gospel, I also command the obedience of all men by the preaching of the gospel. Because of this, I will rule with my precious Lord with the rod of iron to the glory of the Father.

**WHAT'S YOUR RESOLVE?.....**

## THE GLOBAL SIGN OF THE HARVEST

**The harvest is the end of the world,  
and the reapers are angels**

**Matthew  
13:39 ESV**

**O**ne of the major means through which the Lord will fulfill His mandate through the church is what I have long shared with us regarding the harvest.

The harvest at the end of the age was long prophesied by the Lord Jesus Christ. It is the ceremonial climax of this earth. It is not a new theory; it is not a new belief system. Jesus Himself told the parable we see in the verse above, referring to the harvest as the end of the age.

It largely encapsulates all the works of this world, as if God were giving this world a timeframe to manifest His will, as well as allowing everything inconsistent with His original plan to occur so that He can execute His full judgment upon it. The reason God gave this time is so

that all will repent. Thus, the harvest is a showing forth of something marvelous that will take place.

**Prayer Instruction**

Spend 7 to 10 minutes to pray on the following:

1. Pray that you have been positioned rightly to maximize the harvest and its effects in the earth. Declare that understanding is given to you and wisdom is given to you for the harvest.
2. Pray that many more will be enlightened through your ministry to not only be brought into the harvest, but to be brought in as laborers who will affect the harvest.

## **UNTO HIM SHALL THE GATHERING BE**

**The scepter will not depart from Judah,  
nor the staff from between his feet, until  
Shiloh comes and the allegiance of the  
nations is his.**

**Genesis  
49:10 BSB**

**T**here will also be a marvelous ingathering of people who will come to God to show that He is the Lord of the harvest. Many people are about to receive the gospel, and whole nations are even about to do the same as we approach the end of the age.

The harvest is something that, as a child of the apocalypse, you must be part of, look into, and begin to prepare for, because it is the final show of this earth. It is the final show of everything from politics, world governance, and economics to every form of social order that has ever come upon the face of the earth. It is not just a spiritual occurrence, nothing like its contents has ever been seen before in Christianity.

I see contemporary global solutions to global problems stemming from the glory in the harvest. Christian devoted professionals will be so divinely inspired to govern various industries in the world with the order and rule of Christ. The gathering shall be enormous and the impact will be overwhelming.

**Prayer Instruction**

Spend 7 to 10 minutes to pray on the following:

1. Pray that you are adequately equipped and fully furnished by the Holy Spirit for the work of the ingathering of souls that will come into the church in the harvest.
2. Pray also that as a laborer, along with your fellow laborers, you are connected quickly with the divine mandate and understanding to perfect your skills and bring other laborers into the field for the work of the harvest.

**WHAT'S YOUR RESOLVE?.....**

## EQUIPPED FOR IN-GATHERINGS

Their responsibility is to equip God's people to do his work and build up the church, the body of Christ.

Ephesians  
4:12 NLT

**T**oday, we are going to look at this harvest in terms of what I mentioned as the latter part yesterday. There will be an in-gathering of souls. It will be the last ceremony of the harvest, while the first part will demonstrate the reward or the victory of good over evil, light triumphing over darkness. The actual ceremonial part will be what we find revealed in Revelation 7:9; that there was a great multitude of people from every tribe, tongue, and language. These people actually came out from the earth as a result of the harvest.

In fact, we see that there is an angel that comes in with a sickle to harvest humanity. Well, in this course, we need to understand that God has prepared His people, or He is

preparing His people, as laborers at this point. Some of the most amazing things that we are seeing are many Christians coming to the front line and taking up the responsibility, like some of you who are reading this material today.

There are people who are taking responsibility in various departments of ministry. As you are doing that, all of this is in preparation for the second set of the harvest that will come. This will include people who will be brought back into the faith. So, while you are serving the Lord in every responsibility that you are holding in the church of God, you are being equipped as a laborer for what is to come.

You need to know that maybe now you wouldn't find the thousands gathering, but those who are gathering are being gathered as laborers. You are a laborer, so perfect your skill and watch as other laborers come into the harvest to prepare for the big catch that shall come.

**Prayer Instruction**

I want you to place a call to any brother or sister right now. The two of you, or the three of you, begin to pray and pray that you are bonded for the cause together by the love of Christ onto the harvest.

**WHAT'S YOUR RESOLVE?**.....  
.....

## **LABORER'S BONDS**

**Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace.**

**Ephesians  
4:3 NLT**

**S**ome of the most beautiful things that will happen in the harvest is that even small groups will begin to see an upward surge in numbers. It is possible that while people may be gathering in churches today in groups of thirty and fifty, huge numbers in their hundreds will be gathering at such places in very short times and periods.

That's only because these little bands and numbers are presently being prepared and equipped as laborers for what is to come. So no matter how small your fellowship is, no matter how small your cell group is, no matter where you are on campus, what you have to do is understand that there is a timeframe given—a timeframe

that is given for you to bond with each other, to strengthen each other, and to be filled with the Spirit so that through such bonds you will begin to be equipped as a laborer that will fulfill the huge intake that is coming even now.

If you are not strengthened in laborer bonds, you cannot hold what is to come. This is why cell ministry is important, it is why you must take your cell very seriously; it is a harvest spot. So build your cell and prepare yourself because what is coming is much bigger than what you have ever imagined. Therefore, don't miss out.

**Prayer Instruction**

Pray in fellowship today that you have all the grace that is necessary for the hungry out there who have not encountered God; including those who have turned their hearts to God, those who are apathetic, and those who don't believe in God.

**WHAT'S YOUR RESOLVE?**.....  
.....

## LABOURERS FOR THE LAST IN-GATHERINGS

People will stagger from sea to sea and  
wander from border to border searching  
for the word of the LORD, but they will  
not find it.

Amos 8:12  
NLT

**B**y the time the period for gathering laborers is over—which I believe is almost upon us—some will not respond to what the Lord is doing. This is because they are not yet ready or discerning enough to become laborers of the harvest.

However, this does not necessarily rule them out from being part of the harvest. It is essential for us to understand that a spiritual hunger will come upon all people at this time to bring them into the harvest. This hunger will be motivated by various forms of disappointment, chaos in the world, or the world's burden.

Many people will become tired and weary from the world's system and cycles. All of this is in preparation for those who will now become part of the ingathering of souls in the harvest. This is essential. So, what does this mean for you as a laborer?

You need to spend more time in God's presence through fellowship. It is out of the grace and anointing that eventually rests upon laborers that, when they go out into the harvest field, the hunger falling upon many who have been away from God for a long time, will begin to be satisfied by what is upon these laborers.

Every time you worship and pray, you are investing more of the anointing in your spirit and preparing yourself so that when you enter the harvest field, the lingering hunger will be stayed. Beautifully enough, those who are not responding to God right now are being given space by Him, because when He comes through you, a hunger will be quenched in the unbelievers, and you can be God's laborer for this.

**Prayer Instruction**

Pray in fellowship that you have the grace to confront them and bring them into the faith during the harvest that is now upon us.

**WHAT'S YOUR RESOLVE?.....**

## A HARVEST OF THE BACKSLIDDEN

I will heal their backsliding, I will love them freely...

Hosea 14:4  
NKJV

**W**hile spiritual hunger is filling the hearts of many, we must also understand an important aspect of it. It is re-stirring the hearts of those who have been in the house of God but have fallen short of God's ways.

There are many Christians today who may be at a point of backsliding or have lost touch with the faith; the harvest will come for them. Make sure you are not among those who cannot respond. Instead, guarantee your place in God's heart and mind by being a laborer cemented and grounded in His work. This is essential. Many who have lost their faith will find their way back. As a laborer, you must begin identifying people you knew were in the

house of God but could not hold on to the faith for various reasons. They are also an important part of the harvest.

First, start praying that their hearts will be stayed again. Pray that God will orchestrate circumstances to bring them into what He is doing. This is one reason why, in our prayer mandate as a ministry, we have days dedicated to praying for backslidden Christians, so that God may orchestrate their paths back. When you see them, do not condemn them; start praying for them. They are all part of the harvest, and we, as a ministry and people, cannot miss out on what God is about to do in this time.

This is why I am giving you these pointers and directions. As you are here right now, I want you to begin to pray. Pray right now for the backslidden. Pray right now for those who have fallen short. The time is coming when hunger will fill them and bring them in.

### **Proclamation**

For the next two days, spend time praying for the backsliding and the lost.

1. Pray that the hearts of the backsliding and the lost are softened to receive the gospel. Declare that every resistance, every excuse, and every distraction is broken in the name of Jesus.

2. Pray that laborers are sent across their path who will speak the truth in love and lead them back to Christ or into faith for the first time.

3. Declare that the love of God surrounds them, that conviction comes by the Holy Spirit, and that they respond with repentance and faith.

## THE HARVEST OF THE LOST

...God our Savior, [4] who desires all people to be saved and to come to the knowledge of the truth

1 Timothy  
2:3,4 ESV

**I**n God's plan for the harvest, there will be those who never knew God. They are also part of what the Lord is about to do. For them, they never even had the opportunity to believe in the first place; their minds have been blinded. Some of them have considered themselves atheists. They have expressed themselves as people who possessed actual wisdom and knowledge about all things except God, and have even condemned the gospel or the cause of God that you represent.

They too are going to be part of the harvest at the end of the age. For them, they are going to be deprived of so much fulfillment that, by the time the harvest is ripening, they will gush in like floods. Many of them are going to

come in with cases of depression. Many are going to come in with cases of confusion. They would have come to the end of themselves.

As a laborer, you must also look out for them. Now, if you understand the plan of the harvest that I have been sharing the last few days, you will know why you should not worry. Sometimes you may go out on evangelism in this day and find that it is hard to get people to actually come to church. At other times, you may realize that it is easy for people to join. With those two scenarios, you are able to distinguish between those who are not necessarily yet joined through the enormous harvest and those who are being joined as laborers; they are the ones who are going to join you. So, some people will join you now and are considered laborers.

### **Prayer Instruction**

Spend time praying for the backsliding and the lost.

1. Pray that the hearts of the backsliding and the lost are softened to receive the gospel. Declare that every resistance, every excuse, and every distraction is broken in the name of Jesus.
2. Pray that laborers are sent across their path who will speak the truth in love and lead them back to Christ or into faith for the first time.

3. Declare that the love of God surrounds them, that conviction comes by the Holy Spirit, and that they respond with repentance and faith.

## THE HARVEST SO FAST

If you think you are standing strong,  
be careful not to fall.

1 Corinthians  
10:12 NLT

**T**he harvest will be the ceremonial end of this age, and it will happen so fast. I have seen this for many years; sometimes I call it a cameo. What shall happen in the harvest is that when we begin to see the precious fruits of the earth, as Smith Wigglesworth mentioned, then it means the hearts of men, whole nations, and people coming to God, we must know that it may happen so fast and may not take too long.

The point here is it should not take you by surprise. Unfortunately, there are many self-professing Christians today who are not able to prepare themselves and position themselves because of complacency. They have been here for a long time. They've done all the prayers

they had to do, sacrificed, and given to God, and some have grown so weary.

As a result of that, they have become lethargic, and if care is not taken, the harvest may sweep and take place so fast they wouldn't even be part of it because they will not be recovering in the time where they should have been standing. This is why you must make sure that you are not lukewarm and that you are not losing touch of your fire. This is why, at this time, you must keep yourself prepared, fanning the fire of faith in your spirit. This is very important.

Pay heed to this warning and do not be complacent in your faith. Prepare. Be alert. Don't be afraid. Be in love with the Lord, and you will see what will befall you as His true servant.

**Prayer Instruction**

Spend the next few minutes to pray.

- Declare that you are not complacent in your faith, but you are rather alert and urgent, prepared for the harvest that is to come.
- Declare that you are not lukewarm and that your fire is ever ablaze, so that the harvest will not take you by surprise. Spend time to pray that way.

## **THE BODY BUILDING MINISTRY**

**...to equip the saints for the work of ministry, for building up the body of Christ**

**Ephesians  
4:12 ESV**

**I**t is time for us to build God's people for the harvest. Just as a bodybuilder must stay fit to live healthily and pursue their goals, we must build the body of Christ.

This is the time for you to build yourself, members. If you do not have cell members, you face a challenge and are not preparing for the harvest. But if you have God's cell members and people in your fellowship, it is time to build them. If you have a small church, it is time to build God's people for the harvest. He did not call us to build programs; He called us to build people.

We can build people through programs, but they must be programs for building, not for entertainment. They must be programs for the spiritual impartation of God's word,

wisdom, knowledge, and prayer, so that all these things may be fully completed for what God is doing.

Therefore, it is time for us to build the body. It is time to build the people. It is time to build the younger generation. It is time to teach them. It is time to constructively add word upon word, line upon line, precept upon precept, so that they may all be prepared for what is to come. This, too, is essential to the harvest.

**Proclamation**

- I am equipped by the Holy Spirit in wisdom, spiritual understanding, and faith to build God’s people for the harvest, to build the younger generation for the harvest.
- By the wisdom of God and the inspiration of the Holy Spirit, I constructively implant the Word in their hearts—line upon line, precept upon precept—so that they too will be prepared for what is to come.

## WHOLE NATIONS IN HARVEST

**After these things I looked, and behold, a great multitude which no one could number, of all nations, tribes, peoples, and tongues, standing before the throne and before the Lamb**

**Revelation  
7:9 NKJV**

**S**ince we have been talking about souls being won in the harvest, we have been really emphasizing individual souls on the streets, which are all part of the harvest. But there is something much more interesting to discover: God is preparing us for what is to come. It is the harvest of whole nations. There is coming a time in the harvest when whole countries will give their hearts to Christ in one night. There are going to be massive crusades across nations. It will not be across just cities; it will be whole nations. I remember some years ago the Lord was talking to me about how presidents and cabinet ministers will attend many crusades, which is already happening.

God is going to send convictions through presidents, like Cyrus, who will actually have passion for God's house. They will invite many evangelists and messengers of the gospel who will have large meetings. This includes our massive work where, in one night, whole nations in stadiums, on television, in one big broadcast—not just one country but several countries around the world—will give their hearts to Christ. Through the ministry of the dear Man of God, Pastor Chris Oyakhilome, 15 stadiums were packed in 15 cities in a single night's crusade recently in Nigeria. This harvest is already showing forth.

The prophecy about the one billion souls that will come to Christ was given decades ago; it wasn't just going to be individual people. It included whole nations. I believe that you can be a part of this grand vision. Don't let your vision be small. Pray as you are reading these words today, and as you do so, you will be part of what God is about to do.

### **Proclamation**

- By faith I see the nations won onto God through the harvest. I declare in the name of Jesus that the nations are opened. I declare in the name of Jesus that opportunities are open even in the dark places of the world where the gospel is not permitted or allowed.

- I declare in the name of the Lord Jesus that no nation will turn their hearts away from the Lord. All nations will be saved because of the harvest.

## HOMES FOR HARVEST

**They worshiped together at the Temple each day, met in homes for the Lord's Supper, and shared their meals with great joy and generosity**

**Acts 2:46  
NLT**

**T**he harvest will be so glorious that even venues cannot accommodate them. Imagine a church facility that seats two hundred people, while thousands or hundreds gather on a weekly basis; soon enough, those places will not be habitable.

So, what is the plan for the harvest? Because the church is called God's house, many homes will be opened for the harvest. This is what happened in the book of Acts: houses were opened. There were places of fellowship and places to come together, and God's will was fulfilled through the church at that time.

Now, this is very important because you must know that God's people are being prepared for what is to come. On a daily basis, there will be the breaking of bread.

Sometimes services will not be held at the main centers, but brethren will come together in homes to retreat and to pray. Souls will be won on the streets and brought into brethren's homes, where they will be fed. Even parents will be part of it. It is going to be a glorious time to be alive and to be in Christ, and I believe that it is closer than ever.

You must be prepared, just as I am preparing you through these writings this month. It has been such a glorious time understanding the harvest, and I pray that you can be part of what the Lord is doing.

**Proclamation**

By the glory of the Lord, homes are open for the harvest. The spirit of hospitality is coming to the church, is coming to many believers, and a glorious family of faith will be released by the Spirit of God onto all men as homes are open for salvation, homes are open for healing, homes are open for reconciliation, homes are open for peace in Jesus' name.

## THE SURFING HORIZON

...everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock

Matthew  
7:24-25 NIV

**T**his harvest has often been described by some great prophetic scholars as a wave, something like a sea wave. If you are standing at the seashore and you are not prepared for a strong tidal wave that comes, you might be swept away and you might be hurt.

Therefore, there is supposed to be a little horizon that you may be upon. Either you are using a surfboard or whatever means. These actually refer to higher spiritual grounds in the spirit. The harvest is going to be big, it's going to be wonderful, and it's going to be to our blessing.

But if we're not prepared, as I mentioned, it will come so quickly. If we're not prepared, it can sweep you away.

Therefore, you must be on a higher horizon, and the only higher horizon is the truth of God's word. As you understand the word of God, not just as a theory but as something that you live by, you will be on a higher horizon so that when the wave of the harvest comes, it will actually lift you instead of sweeping you away.

This is very essential as well. So, it is good that you may go back to all the realities you have heard regarding God's word. Go back to them, study them, pray, imbibe them, let them become part of your life, and live them as reality so that when the harvest comes, it will not sweep you away.

### **Prayer Instruction**

- Spend time to pray that the word of the Lord that you have been receiving is gaining more root inside your spirit and preparing you for the harvest. Through the word of God and the ministry of the Spirit, you are going to surf on the harvest wave so that it will not sweep you off your feet.
- Declare that you gain more insight into the fundamental principles of God's word, and that you have that grace to touch many in Jesus' name. Amen.

## THE TWELVETH MAN STANDARD

One day soon afterward Jesus went up on a mountain to pray, and he prayed to God all night. [13] At daybreak he called together all of his disciples and chose twelve of them to be apostles

Luke  
6:12-13 NLT

**T**he Lord Jesus made so much meaning through the ministry of the Holy Spirit. He also set a wonderful standard as we see in His ministry through the scriptures. He set the twelfth man standard.

Twelve has been one of the interesting figures of God. And when you look at the ministry of our Lord, through His twelve disciples, He was able to reach out to so many people even to the end of the age. The essence of Christianity that we see around the world was as a result of the work of these twelve apostles.

I sometimes try to look up in the heavens yonder to think what the apostles of the Lord Jesus Christ think of

themselves today. How that Jesus met them, gave them a message, He died, resurrected and ascended into heaven, and they sent this message throughout all the world. They went on to make many disciples themselves from generation to generation till we got here. When you look at the global influence of the Christian faith, you have to know that it started with twelve men, the twelve men who walked with Jesus. If you have twelve men you can know that you can take your sphere with the gospel. You can make any impact that God wants with any number of people. But inferring from the Lord building the 12th man standard is a good strategy of faith for great take over. Hallelujah.

**Prayer instruction**

1. Pray fervidly for grace to affect 12 men for the work of the Lord to expand in its volumes
2. Declare that the twelve are with divine grace to multiply their strengths in others as well.
3. Declare massive expansion by faith by this number to do more for the Lord in our city and town

## **THE TWELVETH MAN STANDARD II**

**When Paul placed his hands on them,  
the Holy Spirit came on them, and they  
spoke in tongues and prophesied.  
There were about twelve men in all.**

**Acts 19:12  
NIV**

**T**he background to the verse above shows that Apostle Paul also had twelve men in Ephesus. These men were people who had been saved but had not received the Holy Spirit. When Apostle Paul visited them after Apollos was in Corinth, he asked them if they had received the Holy Ghost, but they had not.

So on baptizing them in the name of the Lord, they received the Holy Spirit and joined Apostle Paul to preach in the city halls and lecture halls. They preached for two years and the Bible records that at the end of those years the entire continent of Asia Minor had heard

the gospel. You see, it always starts with those twelve, twelve is the perfect number.

You always have to know that if you have the twelve, you can take the world. And thank God that to some of us have more than twelve. It means the world can be taken, because it is as these twelve multiply in their work, in their reaching out, that the whole number multiplies. Have in mind today the reality of the twelfth man standard. And put it to work in your cell, fellowship or new church eras that you build. Get ready for an enormous faith transformation as you learn to do this in faith cultivation.

**Prayer instruction**

1. Pray fervidly for grace to affect 12 men for the work of the Lord to expand in its volumes
2. Declare that the twelve are with divine grace to multiply their strengths in others as well.
3. Declare massive expansion by faith by this number to do more for the Lord in our city and town

## ANOINTED LIKE GAD

These were from the sons of Gad,  
captains of the army; the least was  
over a hundred, and the greatest was  
over a thousand.

1 Chronicles  
12:14 KJV

**T**he sons of Gad were men of war, fierce and ready. They crossed the Jordan at flood stage, their faces set like lions, and hearts burning with divine courage. Their strength was not ordinary—it was the strength of commanders forged for battle. The least among them could lead a hundred; the greatest commanded over a thousand. This is the spirit God is releasing upon His people in this hour.

The grace at work in you is not a gentle, passive grace alone. It is a '**warring grace**'—a commanding anointing designed for conquest. Just as the Gaddites knew how to take territory, you are being raised as a warring commander in the army of the Lord. The battlefield is the

souls of men and women trapped in darkness. We are not playing games; we are at war for eternal destinies.

God is positioning you right now. In your local assembly, in your cell group, in your sphere of influence, He is stirring you to lead the charge. There are mighty warriors waiting to be activated under your command. They may look ordinary today, but under the right leadership and the right anointing, they will become valiant soldiers who plunder hell and populate heaven.

This is your season of thrilling stirring. Do not sit back. Spend quality time in prayer, holding this vision in your heart. Cry out to the Lord of Hosts: **“Raise up the band of warriors under my command! Anoint me with the strength of the Gaddites!”** Ask for that little company—those hungry hearts ready to follow. Then arise with holy boldness and charge forth.

### Proclamation

In the name of the Lord Jesus, I have the grace and the anointing of the Holy Spirit that was upon Gad, and even more. Because of that, I have the ability to gather hundreds for the Lord in the coming harvest. I have even greater ability to affect thousands in the great harvest. I do not faint because I am a warring commander.

## THE COMMANDING GRACE

These were from the sons of Gad,  
captains of the army; the least was over a  
hundred, and the greatest was over a  
thousand.

1 Chronicles  
12:14 KJV

**T**he same Holy Spirit you have received is the One who empowered the sons of Gad. He is releasing commanding grace upon you now; it is a grace to strategize, a grace to rally and a grace to confront the powers of darkness.

There is a grace to win souls with authority and fire. What was written of them can be activated in you: the least of you will lead hundreds, and the greatest among you will command thousands in the harvest.

This is not for the faint-hearted but those who will embrace their identity as warring commanders. The enemy trembles when such men and women arise because they know territory is about to shift.

Take your place; sound the trumpet. Lead the line. The victory is already assured, but it will be won through commanders like you who refuse to retreat.

The Holy Spirit is upon you for this very purpose. Appropriate His power and Walk in it. Command in it and watch as God does mighty exploits through your hands.

**Proclamation**

In the name of the Lord Jesus, I have the grace and the anointing of the Holy Spirit that was upon Gad, and even more. Because of that, I have the ability to gather hundreds for the Lord in the coming harvest. I have even greater ability to affect thousands in the great harvest. I do not faint because I am a warring commander.

## LAY HOLD ON ETERNAL LIFE

**Fight the good fight of faith, lay hold on eternal life, to which you were also called and have confessed the good confession in the presence of many witnesses.**

**1 Timothy  
6:12 NKJV**

**T**he scripture above states what I believe is one of the most important calls to our Christian devotion: that is to lay hold on eternal life. Eternal life is the life that God has given us when we became born again. This is not the life we get when we go to heaven, nor is it merely a life of everlasting living. It is a life that we live now by living out God's perfect plan for us.

When you read the scriptures, you will find several references given to this kind of life, and now in this verse above, the call is to lay hold on it. In other words, we must take advantage of it. Unfortunately, many Christians do not understand this life and have not taken

advantage of it, but I believe that as we progressively come to the end of the age, we will come to understand more why it is very important for us to live with eternal life as a consciousness.

The reason is simple: God did not design for the human race to be sick from the foods we eat or to be sick because we had to earn a living. But the system of this world has been designed such that, with their agenda toward depopulation, the powers that be have tried to structure the world in such a way that it works to their advantage.

So, even with food and how the global food system has been structured—whether it's manufactured foods or even foods that are sown as seeds—many of these have been corrupted to cause the human bodies to be sick. The system of the world has also been strained with stress that people accumulate in their bodies until they become sick. These are the reasons we should be very mindful of this life. It is not a fallacy to believe.

### **Proclamation**

I lay hold on eternal life. The life of God is at work in me. It's inundating my body from the crown of my head to the soles of my feet. I walk in God's perfection. I do not consider what is seen in the world. I rather consider what God's word says, and His word and life is at work in me.

## **POLICE YOUR BODY**

**The Spirit of God, who raised Jesus from the dead, lives in you. And just as God raised Christ Jesus from the dead, he will give life to your mortal bodies by this same Spirit living within you.**

**Romans  
8:11 NLT**

**A**ll of this is the reason why you must hold on to eternal life, because the world is destined to injure the human race, but eternal life is the only life that we have that reaches far greater heights, breaking the cycle of these limitations over the human body.

You have to be conscious of this life, not only that but live in it. Live in its fullness. Live in its application on a daily basis by the use of your tongue, speaking this life into your body. You have to do it.

If you want to live your best and live to your fullness without sickness, disease, or infirmity, you have to

everyday use your tongue to construct health in your body. The word in your mouth will constantly keep your body in check and cut off every depletion of your body cells, tissues, or organ malfunction. Train yourself everyday by speaking over your body from the crown of your head to the soles of your feet. Police your body with your mouth, speak eternal life over it and into it. Hallelujah.

**Proclamation**

My body is vitalized by the Holy Spirit. It is not a death-doomed faculty; it's a life-throbbing faculty. No sickness, disease, or infertility can thrive in it. I'm alive unto God, I'm alive unto perfection. The glory of God is stirred up in my bones. I will not be shaken.

## **MEDITATION REMAINS PARAMOUNT**

**Meditate on these things; give yourself entirely to them, that your progress may be evident to all.**

**1 Timothy  
4:15 NKJV**

**M**editation is not speed reading. When you meditate on God's word, what you're actually doing is thinking through it, pondering it, and looking at various circumstances in the light of what you've heard.

Meditation is not just reading. When you read your devotional, when you read books, or when you listen to tapes, you don't just have to listen away or read away. You have to constantly think. You have to make time for meditation to examine yourself.

If you listen to a particular message or read a particular message and you were blessed by it, you have to revisit it this time with an examination plan. You have to be able to look at yourself, consider where you are currently, and

then reapply the same realities and principles to see if you've made so much progress.

That's really how to track the progress of God's word in your life. Do you know that sometimes believers get confused because at one time the word of God that they believed worked, and another time it did not work? That's because they've not understood the dynamics of the principles that govern the word of God.

But as a kingdom child in these last days, you have to be so dynamic with the reality of God's word. That is why you must constantly meditate, because truth is not only communicated in one light. God has different lights of truths that marry into one beam of light that shines in your heart.

So prioritize your meditation as you listen to God's word, read it, and meditate on what you read.

**Prayer instruction**

Spend time to Meditate on these scriptures

1. Romans 5:17
2. Ephesians 1:3
3. 1 Jon 4:4
