THE INCREASE OF THE LORD

...You anoint my head with oil; My cup runs over.

Psalm 23:5
NKJV

A lot of times, believers don't necessarily understand the reason for the experience of the anointing in our lives. First of all, the anointing comes into our life to bring us the presence of God, so that we live above the systems of this world. But apart from that, the anointing also comes to increase the grace of God in our lives in an overflowing measure for His work. God wants us to be fruitful in His vineyard. He wants us to be fruitful in winning men to Him.

The real essence of this fruitfulness is so that they can be transformed with the message that His kingdom brings. Therefore, after various encounters that you have in

fellowship with God, or special meetings where impartations are given, at the end of those experiences they must translate into fruitful works that multiply. And it's seen in the transformation of men — transformation of their hearts.

And the more the anointing is stirred up in your heart through prayer, or the Word study, we must see more increase and multiplication in your work in the vineyard. If you are conscious of this, then you can begin to carefully translate all that glory you experience into glorious works.

Proclamation

I take advantage of the grace of God in my life. I stir up the gift of God that is in my spirit, and I translate this blessed anointing into fruitful works of faith, in Jesus' mighty name. Amen.

WHAT'S YOUR RESOLVE?.....

DON'T BE IGNORANT OF THE BLESSING

...You anoint my head with oil; My cup runs over.

Psalm 23:5
NKJV

Stemming from what we shared yesterday, there is an importance to your understanding of what really happens when you partake of the blessing of God. The blessing of God is not just in the good things of life. The blessing of His Spirit means that He is entrusting you with new levels of grace to produce more results.

There are various means through which the grace of God is imparted to the human spirit. One of them can be as a result of your own study of God's Word. Another can be your times of prayer, where you come to the realization of the grace of God that is at work in you. Other times, it can be

at meetings where you receive impartations by the laying on of hands.

But many Christians sometimes don't know what to do with it. As a result of that, there will be many meetings over and over again without really having a marked and steady path in growth and in faith. You shouldn't allow this to happen to you. You shouldn't be ignorant of the blessing or the grace that is at work in you.

And the first way that you can ensure this happens is if you immediately put to work the impartation, that you have received. For some people they may receive visions about holding larger meetings, reaching out to more people, being effective in the faith, being influential for the cause, and so on. Your first way to walk in the blessing is to act immediately after you have received the word, in accordance with the blessing that you received. It will give birth to more grace in your life.

Proclamation

I take advantage of all the grace of God that is in my life today. I function with the knowledge of the blessing and the impartation that I receive. I'm not ignorant, neither do I walk in confusion.

THE HOLY SPIRIT IN THE LAST DAYS

When the Spirit of truth comes, he will guide you into all the truth, for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come

**John 16:13
ESV**

The Holy Spirit is referred to as the Spirit of Truth. He is the Spirit through whom God's reality touches the world. In various dispensations of human existence, the Holy Spirit has played an instrumental part when God wanted to reach out to mankind.

In the Old Testament, the Holy Spirit often came and rested upon God's servants and people. When He rested upon them, they were inspired to fulfill God's work — including blessing and transforming lives. That presence that came on them was called the anointing. It was on them.

However, in the last days, this same Holy Spirit is not just upon us, but in us. This is because God wants to reside in us through the anointing of His Spirit. Therefore, instead of us waiting for the Holy Spirit to come upon us, the Holy Spirit from within us becomes God's extension and His hand that touches every sphere of mankind.

You have to understand that in the last days, you are God's extension through the ministry of the Holy Spirit, through the power of the anointing. And through this, we will begin to understand more of our calling in the last days as we function with and in the ministry of the Holy Spirit. So have it in mind that you are God's home and extension. When anyone encounters you, they are encountering the very tabernacle of God that carries His whole presence.

Prayer instruction

Spend the next few minutes as you speak in tongues and declare to yourself that you are conscious that you are the dwelling place and household of the Holy Spirit in these last days, extending His touch to our world.

THE SPIRIT WITHOUT LIMIT

For he is sent by God. He speaks God's words, for God gives him the Spirit without limit

**John 3:34
NLT**

In the verse above, we see a description of how God anointed Jesus Christ with the Holy Spirit, which was without measure. That simply means God did not anoint Jesus Christ with just a little bit of the Holy Spirit, but with all the fullness of the Spirit.

Now we also see in the stated verse below that Jesus Christ sent us just as God sent Him. And if God knew that Jesus needed the fullness of the Holy Spirit in completion to fulfill His assignment, then we too have the fullness of the Spirit as much as Jesus had;

Again he said, **“Peace be with you. As the Father has sent me, so I am sending you”**. (John 20:21)

When you live with this consciousness, you will stop seeing the limitations of this world. A lot of Christians don't have this consciousness; it is for this reason they have certain levels of limitations in their life. They still think lack. They still think defeat. They still think inabilities. They still think they cannot do certain things. But when you have the Spirit without measure: Not only can you do all things through Christ, You are able to create even the things that don't exist. You are able to bring things into being.

Listen, if you need to get to the next level of your faith, of your life, and see the glory of God, you must believe this and live with the consciousness that you have the fullness of the Holy Spirit. Both to attain your ministry and to enjoy the glorious realities that are in Christ.

So from now on:

- Don't think lack — think supply.
- Don't think impossibility.
- Don't think fear.

Because the Holy Spirit has come in fullness, and we need Him to fulfill our assignment.

Proclamation

Dear Lord, I thank you so much for the gift of the Holy Spirit. Thank you that He works in me in fullness. Thank you I do not lack anything, and thank you I abound in every glorious thing. Thank you for the ministry of the Holy Spirit.

INTENTIONALITY

**May God give you more and more
grace and peace as you grow in your
knowledge of God and Jesus our Lord**

**2 Peter 1:2
NLT**

As believers, we have a responsibility to determine the extent to which the function of grace increases in our life. In the verse above, we see that grace is multiplied through the knowledge of God and of His Son, Jesus Christ.

Therefore, the increase in our knowledge of God and His Son Jesus Christ is what leads to the increase and multiplication of grace in our life. So grace is not something that happens to us periodically. It is something God multiplies in us based on the increase of our knowledge.

This is vital because many believers leave their increase to chance, without realizing they have a part to play through intentionality. You have to be intentional about the kind of increase you desire.

If you want to experience a remarkable increase in your finances, your health, your ministry, or any area of your life, you must be intentional about it. That means being fully committed to it, especially through the knowledge and practice of the Word of God in that area. Today, build the consciousness of intentionality.

Prayer Proclamation

Father, I thank You for Your grace in my life. Thank You that I have the ability to multiply grace and walk in it as a result of my intentionality. I choose to be intentional about my increase, about my growth, and about the next level of glory I want to see. In Jesus' mighty name. Amen.

THE PRACTICE AFTER INTENTIONALITY

**Practice these things, immerse
yourself in them, so that all may see
your progress**

**1 Timothy
4:15 ESV**

After intentionality comes the practice of attaining a greater level of increase. This practice includes meditation, prophecy, and prayer in the light of what you seek. There are various areas of increase you can experience or improve in your life. Some of it may be around the state of your life. Some of it may be in terms of your ministry and what you do for the Lord.

You can experience growth in your church, in yourself, in your business, in your health, in life, in your family, and many more.

All these things are within the scope of your choice. When you begin to practice the “**doing**” part of the intentionality you’ve decided on, it becomes practical.

The doing part includes:

- Meditation on God’s Word
- Much prayer
- Prophetic declarations

These practices begin to transform intentionality from something unseen into something practical. Your practical aspect of intentionality becomes the solid evidence that continues the process of transforming what is spiritual into what is physical. If you want to see results, you have to be on this path. That is why I’m showing you how to see results.

Proclamation

From intentionality, I start practicing. I put to work the realities of God’s Word through meditation, prayer, and Word study in the light of any aspect of my life where I want to see increase. My practice is firm, steady, and unshakable. I see results, in Jesus’ name.

WHAT’S YOUR RESOLVE?.....

.....

CONSISTENCY

If the clouds are full of rain, they empty themselves on the earth...

**Ecclesiastes
11:3 ESV**

You'll remember that in the previous months I shared with you the reality of constant repetition. Constant repetition basically helps to bring your heart and your life into alignment with God's will and purpose.

This is also what consistency means in this light. After you have started practicing God's Word and for you to arrive at the final level and graceful outcome, you need to be consistent at what you do.

The Scripture above demonstrate a principle, that when the clouds are full of rain they empty themselves upon the face of the earth. That is because a lot of evaporation takes place

into the clouds. The more evaporation takes place from water bodies, the more they go up into the clouds. So the clouds become full, and when the clouds can no longer hold them, they release water upon the face of the earth as rain.

In the same way, when you are consistent — with constant repetition of prayer in the realities we've shared, studying the Word in the realities we've shared, and prophesying in the realities we've shared — they all culminate and form the clouds of purpose in your spirit. They burst you forth into that which God has destined for you. So after intentionality and practice, the next thing you must master is the consistency of that practice so that it leads you to the next level, which we'll talk about tomorrow.

Practice

Spend the next 7 to 10 minutes praying in tongues and determine to be consistent. Pray and declare that you are consistent at what you do. Such a prayer helps your spirit be determined to execute consistency.

WHAT'S YOUR RESOLVE?.....

.....

ESTABLISHMENT

...the God of all grace, who has called you to His eternal glory in Christ, will Himself restore you, secure you, strengthen you, and establish you

**1 Peter 5:10
ESV**

After consistency has gained its full measure, the result is establishment. A constant practice of the realities we have shared for increase is all premised on this: when you are consistent, you become a strong pillar in that arena, and God leads you to establishment. The verse above describes consistency that stems even after suffering, the emphasis is on that level of consistency and by principle in faith, God rewards the consistent person with establishment.

Establishment means you begin to see solid evidence of your arrival in the promise God gave through increase. So, anyone can be established financially after they have been

intentional about growing financially, gone on to practice with consistency the reality of God's Word, and then arrived at that place of establishment where they cannot be shaken.

It is the same with health. The same with family and faith. The same with increase in your ministry. So, if you want to experience these things, it is important you put these realities to work so you can arrive at the place of establishment. But establishment alone does not end it. You can move to the next level, which we will talk about tomorrow: the level of responsibility. This too is part of God's plan.

Proclamation

I walk in the establishment of my purpose as a result of the consistent practice of my faith. As a result of this, I am solid, strong, never moved, and unshaken.

WHAT'S YOUR RESOLVE?.....

.....

AUTHORITY

If you are faithful in little things, you will be faithful in large ones. But if you are dishonest in little things, you won't be honest with greater responsibilities

**Luke 16:10
NLT**

After experiencing so great an establishment in the reality that God brings you into for your increase, and after becoming responsible over that area, God now begins to give you authority over that area.

In the Bible, there are several names of faith. Abraham is one whom the Bible recognizes as an authority in the area of faith. He trusted God. He practiced it. He was consistent in it. He received the establishment and the responsibility that came with it. And in the end, God gave him authority over that area.

Anyone who is meticulous about the call of God and the practice of this reality eventually begins to receive a certain

level of authority. That means you can literally guide God's people into that area. You can lead God's people. You can teach God's people.

After every great, notable increase in your life, God expects you to become an extension of that reality to people—teaching and bringing them into it so that they can experience the fullness of God like you. This is also important: that you learn to do. After your establishment and responsibility, you learn to use your authority to bring God's people into that reality.

Prayer

Dear Lord, I thank You for the grace to be established, responsible, and to have authority to bring Your people into the reality of what You have brought my increase in. I declare in the name of Jesus Christ that I function with this reality and bring God's people into their fullness. In Jesus' mighty name.

WHAT'S YOUR RESOLVE?.....

MULTIPLICATION

**May God give you more and more grace
and peace as you grow in your knowledge
of God and Jesus our Lord**

**2 Peter 1:2
NLT**

After you have attained the great feat of responsibility and received the authority of God to bring His people into fullness—and you have been faithful with that—what begins to happen to your level of increase is multiplication. This is where the final phase occurs.

Now, that which you have received from God and increased in will start appearing in multiple facets and expressions. You will find it in various ways and means. The glory of it is insurmountable. You will see that whereas you sought an increase in your ministry, that increase is not just an addition, but now a multiplication. You will find the

expression of yourself and the things you are doing in different places at different times.

If it concerns your finances, you will find that it happens at an exponential rate—in great multiplication. Whatever you find yourself designed and increased for, God will give it massive multiplication.

Proclamation

I walk in the multiplication of the grace of God that is in my life. I function in His fullness. I see the glory of God on every side. It is visible in my life. I walk in the glory today. Amen.

DISCERNING THE WINDS OF THE SPIRIT- THE UNSEEN

The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

**John
3:8 KJV**

I believe very well that God is bringing us to deeper depths of faith. Sometimes, when you are growing as a believer, you might get used to the things that are seen with physical eyes. You might consider the extent of your success in the work that the Lord has called us to do in the harvest to be based only on the things that you see.

But there are things that are unseen. They are spiritual elements. In the verse above, we see that there is a certain kind of discernment — of those who can sense the winds. The winds here refer to the Spirit of God and what He

intends to do. This is where you move from the known to the unknown — which is in the spirit. For you to really produce the miracle of God beyond that which is seen in the physical realm, you have to be able to discern the wind — the unknown thing to the physical. This is the realm of faith.

This realm means that by the Spirit you are able to find a new location of glory that God wants to bring into your life. Currently, you may not be there, but there is a way the Spirit of God can bring you to a discovery of what you've never known. It is time you come now to such a consciousness if you have to move and operate in the supernatural level.

Prayer Instruction

Spend the next 10 to 15 minutes praying in tongues fervently. Ask that the Spirit of God will lead you and guide you, and cause you to see in the spirit what He has planned for you.

GET A HOLD OF THE LOCATION

The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

John
3:8 KJV

The Spirit realm operates by the principles of winds and not landmarks. We will look into that in subsequent days. But beyond just a mystery you must know this and discern in much detail.

Now, it is very important that you understand that you have a part to play — by taking your eyes off that which is known to you, or that which is familiar to you, to the place that has not yet been scouted. And only the Holy Spirit can take your spirit there through prayer — He will cause you to travel along the ways of God into that realm where you can find the promise of God fulfilled.

Do you know where the millions and hundreds of thousands of people are going to gather to hear you? Or be under your divine influence and do you know that you have to be in a spiritual location for that to happen?

Do you know that God has planned for you to walk in enormous wealth so that you can influence much for the kingdom? And do you know where those huge amounts of money are going to locate you? Until you see the location in the spirit, it might be hard to come to terms with these realities.

Prayer Instruction

Spend the next 10 to 15 minutes praying in tongues fervently. Ask that the Spirit of God will lead you and guide you, and cause you to see in the spirit what He has planned for you.

WHAT'S YOUR RESOLVE?.....

THE LAND HE SHOWS

The LORD had said to Abram, “Leave your native country, your relatives, and your father’s family, and go to the land that I will show you

Genesis
12:1 NLT

I hope that by the Spirit, your heart is illuminated to understand the reality of what we are sharing. These are words of faith for the next level of glory you can have.

What we shared yesterday is in direct agreement with what God did with Abraham regarding his walk of faith. The Bible describes that Abraham, a descendant of Terah, was in Ur of the Chaldeans—a location in Mesopotamia, which was home to the greatest civilization of that time in that world.

Because they had given themselves to idol worship, God wanted to call Abraham out of that civilization to bring him

into a land He would show him. A place God will raise a new family generation from Abraham to form a nation dedicated to only Himself.

However, the Bible records something very interesting: Because Abraham was a man of faith, he left his father's house not knowing where he was going, trusting God to show him the land.

Now, Abraham did not know the actual location of the land, but he knew in his heart that a location existed. There is a place in the Spirit. This is very important for you to understand as well. There is a place God wants to show you and take you. It is a place in the Spirit realm, beyond your present moment of comfort. Just as Abraham was comfortably living in his father's house or national prestige, so may you be in the comfort of your status quo.

But just as he got uncomfortable to move out of it trusting that God should give him his own land, so must you also trust the Lord for the place in the Spirit realm He has for you.

Prayer Instruction

Spend the next 10 to 15 minutes praying in tongues fervently. Ask that the Spirit of God will lead you and

guide you, and cause you to see in the spirit what He has planned for you.

WHAT'S YOUR RESOLVE?.....

.....

THERE IS A PLACE BEYOND COMFORT

The LORD had said to Abram, “Leave your native country, your relatives, and your father’s family, and go to the land that I will show you

Genesis
12:1 NLT

Just as God called Abraham out of his comfort zone to a realm he did not know, yet trusted God to reveal, so God is also planning to take you in the Spirit. There is a place in the Spirit for you. There is an inheritance in the Spirit for you. There is a next level in the Spirit for you.

The question remains: *Would you have the faith of Abraham to step out of your comfort zone and allow the Holy Spirit Himself to travel with you in the Spirit to show you this place?*

Now, even though Abraham had a physical place in mind, yours is a spiritual place at heart. There is a certain location

that, when you find yourself there, marvelous miracles will begin to happen. You will be surprised at what causes all these things to come to materialization.

You must spend time today praying into these realities, just as we prayed yesterday. There is a place beyond comfort. Hallelujah

Prayer Instruction

Spend the next 10 to 15 minutes praying in tongues fervently. Ask that the Spirit of God will lead you and guide you, and cause you to see in the spirit what He has planned for you.

NOT KNOWING WHERE TO GO

By faith Abraham obeyed when he was called to go out to the place which he would receive as an inheritance. And he went out, not knowing where he was going

Hebrews
11:8 NKJV

I think it is important that we try to understand what it really means to say that “**Abraham set out, not knowing where he was going**” It is important for you to first understand that in this kind of journey, you may not know where you are going because the location is found in the wind. Now I will explain that better for you subsequently.

Do you look at how a man travels on the road? There are various signposts on the road that help him locate a place. Now, because it is on the land, it is in the realm of the seen, but he may still have to navigate before arriving.

Also, in this journey in the spirit—because what we are looking for is a spiritual place—it is located in the winds. And you do not necessarily see winds with your physical eyes. You discern winds with your spirit. So in this classic journey of Abraham, he did not know where he was going as per what was known to him in the physical realm. But he knew where he was going as per what was in his spirit.

So the Bible says that when he got to the land, he sojourned there (stayed). And the Bible describes that even though the land was physical, he looked for a city that was in the spirit, whose builder and maker is God. He didn't have a definite location before he started his journey, but by the time he set off in faith, he found this place in the Spirit. Hallelujah

Prayer Instruction

Spend the next 10 to 15 minutes praying in tongues fervently. Ask that the Spirit of God will lead you and guide you, and cause you to see in the spirit what He has planned for you.

THE PRAYER PREPARATION

By faith Abraham obeyed when he was called to go out to the place which he would receive as an inheritance. And he went out, not knowing where he was going

**Hebrews
11:8 NKJV**

The same thing can happen to you today. You may not know where to start for cell. You may not know where to start for your fellowship. You may not know where to start for your church. You may not know where to start even for your business or anything that has to do with your betterment.

But there is a way God can show you a place that you have not seen physically. Which is why you must actually begin to prepare for such a thing. There is a journey in the spirit that comes with this kind of location. There is a certain kind of prayer that follows this reality.

And you must begin to prepare your spirit to embark on that journey by prayer. The prayer that causes these realities to happen is the prayer of preparation before the prayer itself. This is the realm of faith that you should be willing to embark on. And we are going to discuss this kind of prayer in the coming days.

But today you are going to start by praying fervently in the spirit, locating where God wants you to be. And when God gives you a spiritual vision, you will be able to know that vision is what you must follow and God will guide you into that reality.

Prayer Instruction

Spend the next 10 to 15 minutes praying in tongues fervently. Ask that the Spirit of God will lead you and guide you, and cause you to see in the spirit what He has planned for you.

WIND MARKS

The wind blows wherever it wants. Just as you can hear the wind but can't tell where it comes from or where it is going, so you can't explain how people are born of the Spirit

**John 3:38
NLT**

In the physical realm, we are able to discern landmarks. Landmarks could be natural, and some could be artificial. They are pointers of direction, as to how you will locate a place. Sometimes someone will narrate for you to follow a certain junction or a certain story building in order to find a place.

But how do you know in the spirit that you are progressively arriving at where God wants you to be? Arrival is the state of your spirit. Sometimes there are what you may call spiritual landmarks. But I have termed them "**wind marks**" to indicate how spiritual they are.

In the wind, you can discern:

1. How close you are to the arrival.
2. How it works to bring in the grace of God into your life.

These things cannot be defined by theology; they are only defined in the spirit. You pay attention to wind marks by discerning progress and discerning arrival. And by this, you have to pray. Pray today for the Spirit of God to open the ears of your spirit so that you are able to detect the spiritual wind marks that lead to the arrival of your destination.

Prayer Instruction

For the next ten minutes, pray fervently for wind marks. These wind marks are the progressive instructions of the Spirit that come to you, causing you to walk in the way God has destined for you to walk in.

WHAT'S YOUR RESOLVE?.....

WIND MARKS II

The wind blows wherever it wants. Just as you can hear the wind but can't tell where it comes from or where it is going, so you can't explain how people are born of the Spirit

**John 3:38
NLT**

Wind marks are spiritual indications that push you to do more and more —onto the arrival of your purpose. Consider that you plan for a very important meeting where you desire to fill the stadium. In your current state, when you look at the possibility of filling the stadium, it might look so far off from you because you probably have a small membership of just ten people.

But do you know that by understanding wind marks you are able to know exactly how to survive there: You can know the next program you are supposed to hold with the

ten people to progressively arrive at filling a stadium. You are able to know the next outreach you are supposed to organize, and the next kind of prayer session, waiting session, that you are supposed to organize amongst the ten people, to build their capacity for the stadium work.

All these things are wind marks that lead to the ultimate destination of filling the stadium. This is very important for you to understand. So you need to start organizing your spirit man in prayer and fasting to discern the wind in order to arrive at your fruitful place. Everything is possible in this light. You just need to ensure you are not wasting time doing nothing when you have a choice to arrive at your destiny sooner by praying through the wind.

Prayer Instruction

For the next ten minutes, pray fervently for wind marks. These wind marks are the progressive instructions of the Spirit that come to you, causing you to walk in the way God has destined for you to walk in.

PRAYERS FOR WINDMARKS

The wind blows wherever it wants. Just as you can hear the wind but can't tell where it comes from or where it is going, so you can't explain how people are born of the Spirit

John 3:38
NLT

Everything we learn in God's Word must be practical. And I believe that you have to put this to work. The reality we share today may not be easily practical right now—because of the time you may have to spend. But you can plan for it.

There is a certain kind of prayer that causes you to walk in the wind; there is a certain kind of prayer that indicates to you the windmarks — that show you how close you are, and which turn to take, as well as which direction to use in arriving at your spiritual destination. And one of these

important windmarks in prayer is the preparatory kind of prayer.

There is a kind of prayer that causes you to prepare before the prayer itself. These prayers help you spend time waiting on the Lord based on the vision that you have received.

So like I used the stadium example yesterday: you can begin to search in the Scriptures to look for those that speak about such a monumental gathering and plan of God. While you look for those Scriptures, you have to be meditatively praying over them.

This kind of prayer opens your spirit and creates openings and reservoirs in you. They prepare the space for the Word of the Lord that will come to you — when you are finally going to pray for directions. These pre-built reservoirs in your spirit can cause the right condition to cause your faith to come to pass. You need to prepare for this with a certain kind of hunger. You're going to practice these with two realities today and tomorrow.

Prayer Instruction

- Look for Scriptures that pertain to what you want to see. Write them down. Start praying over them.

- Pray voraciously in tongues with the Scriptures you found.

PRAYERS FOR WINDMARKS II

The wind blows wherever it wants. Just as you can hear the wind but can't tell where it comes from or where it is going, so you can't explain how people are born of the Spirit

**John 3:38
NLT**

After this kind of preparatory prayer, you have to move in full swing into the prayer session itself. So note, that there is pre-prayer sessions of prayer to get you a storage reservoir for what you will get in the actual prayer session

During the time of preparation, the reservoirs in your spirit are open to receive the Words from the Lord that you find in the Scriptures. Those moments open streams that link what you have found in God's Word with what God shows you. And what you have found in God's Word, and what God shows you, causes what God shows you to remain on a certain kind of strong foundation.

Though the foundation is a spiritual foundation, it has a strong, solid front — of which what you see in the spirit becomes tangible, so you feel it. Even though it's invisible, it's solid, You can touch those meetings in large gatherings, You can arrive there in the abundance of wealth supply.

When those foundations are set, then now you can swing into prayer. As you speak in tongues voraciously, the solid nature of what's in your spirit will now tie with the direction in the spirit with. And when you marry the two; i.e the solid foundation and your vision direction you can arrive at your full purpose.

Prayer Instruction

- Look for Scriptures that pertain to what you want to see. Write them down. Start praying over them.
- Pray voraciously in tongues with the Scriptures you found.

SALVATION MUST BE COMPLETE

Now may the God of peace himself sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ.

**1 Thessalonians
5:23 ESV**

You need to understand that as a believer we are called to have a total and whole experience with salvation. The word salvation is actually translated from the Greek word which means “*everything perfect that you can think of. Every good thing that you can think of*”.

In other words, only good things are embedded in the concept of salvation, and God wants it for you entirely. But this salvation has to take manifestation in all facets of your being. Like we see in the verse above: man is spirit, has a

soul and lives in a body; therefore your salvation must be manifested in your spirit, your soul, and your body.

Which is why it's important for you to take care of your spirit, soul, and body in the light of salvation, and to experience every good thing that God placed within its confines. This is supposed to help you as a Christian fulfill your destiny in the earth. So take time to pray today concerning the essence of salvation in your spirit, soul, and body.

Proclamation

I declare over my spirit, soul, and body that I experience the fullness of salvation in Christ. I declare that nothing is missing and I'm in full completion in the purposes of Christ.

THE SALVATION OF YOUR SPIRIT

Only in this way could he set free all who
have lived their lives as slaves to the fear
of dying

Hebrews
2:15 NLT

The salvation of your spirit is the first point of contact of the power of God in you. This is because essentially, you are a spirit. Take note, you don't have a spirit, you are the spirit. That is the part of you that God recreated in Christ. When you were born again, you were born with a new spiritual makeup. The old spiritual makeup that was subject to this world, sin, and death was supplanted with a new life and a new spirit.

So at salvation, your spirit man was transformed. You became a new man. And that means you are delivered from the power of death. That is the first meaning of the salvation of your spirit. Your spirit is delivered from the

power of death and the effects of death. When you became born again, at your salvation you were brought into a vital life with God — outside the confines of death.

Prayer Instruction

Spend the next 10 to 15 minutes speaking in other tongues and declaring that at your salvation you are free from the power of spiritual death that gives birth to physical death and the effects of physical death.

SALVATION FROM DEATH

**Only in this way could he set free all who
have lived their lives as slaves to the fear
of dying**

**Hebrews
2:15 NLT**

Death simply means to be away from the presence of God, who Himself is the fullness of life. All those who are not born again in Christ live outside the presence of God. Therefore they live in what is called spiritual death. That is what you have been delivered from.

Physical death is only a child of spiritual death. It is only the manifestation of a spirit that has been trapped and subject to the rule of spiritual death. But when you are born again and when you receive the salvation of God, you are delivered from such powers. Therefore the effects of death — whether physical death, sicknesses, or infirmities — are not supposed to be part of your body.

You need to understand this and put it to work. You need to understand your identity and walk in the way God has destined for you.

Prayer Instruction

Spend the next 10 to 15 minutes speaking in other tongues and declaring that at your salvation you are free from the power of spiritual death that gives birth to physical death and the effects of physical death.

THE SALVATION OF YOUR SOUL

[22] throw off your old sinful nature and your former way of life, which is corrupted by lust and deception. [23] Instead, let the Spirit renew your thoughts and attitudes.

**Ephesians
4:22-23 NLT**

The soul refers to your feeling and thinking faculty — your emotional and mental faculty. That is what essentially makes up the soul of a man: how he thinks and how he feels. Now when the devil sought to put man in bondage, he attacked the freedom of man on all three levels: in the spirit, in the soul, and in the body.

And just as we discussed yesterday, the salvation of the spirit is deliverance from death — that the devil is described as the one who causes it. The same way, the devil has a way of destroying the soul of a man by placing your thinking and your emotional faculty in places of depression

or burdens of our time. The devil wants to steal away the peace of everyone and therefore places them in the scope of depressive clouds and burdens.

In the salvation of your soul, you are delivered from anything that dumpens your spirit or turns it down. This is why Jesus said: **“men ought always to pray and not to faint”**. Your soul — that is your feeling and emotional faculty — must not be overturned into fainting. You're supposed to live victoriously over this world. And that is what the salvation of your soul really means.

Prayer instruction

Speak in tongues for the next 10 to 15 minutes and appropriate the benefits of what you have read today.

JOY IN THE WELL OF SALVATION

**With joy you will drink deeply from the
fountain of salvation!**

**Isaiah 12:3
NLT**

When you live in the reality of the salvation of your soul, you bear what the Bible calls the fruits of the Spirit. The fruits of the Spirit refer to the outworkings of your spirit that is benefiting from salvation. Every good emotion, every good and beautiful thing described in the scriptures about the fruits of your spirit — though it's from your spirit — its outworkings are in the realm of your soul.

So if your spirit is really saved in Christ and you're enjoying the benefits of salvation, we have to see the fruits of the Spirit: such as love, long suffering, and joy.

Because the spirit is the real planting of you, and then your soul are the branches that bring out the fruits. Therefore you need to walk in absolute joy to maximize the perfection of your mind and the soundness of your emotions. Your emotions can be in check if you live in the power of God's joy — which is your strength. Meditate on these realities and spend time to pray.

Prayer Instruction

- Declare over your soul that your mind is sound and your emotions are intact because you walk from the power of God's strength through the ministry of joy.
- Declare also that you are delivered from the clamor of depression and brought into God's perfect scope.

THE SALVATION OF YOUR BODY

The Spirit of God, who raised Jesus from the dead, lives in you. And just as God raised Christ Jesus from the dead, he will give life to your mortal bodies by this same Spirit living within you

**Romans
8:11 NLT**

The salvation of your body is, as we described yesterday, also tied to your spirit. Just as the fruits of the spirit are manifested in your soul, the salvation of your body must also replicate the essence of the salvation of your spirit. In other words: if your spirit is saved, then the other two — your soul and your body — must benefit from the salvation of your spirit.

Remember, we said that when you are experiencing the salvation of your spirit, then you are experiencing deliverance from spiritual death. And spiritual death has so

far been manifested in the soul and in the body of those who are yet to be saved in Christ.

The effect of spiritual death is physical death. And some of its accompanying signs are: sicknesses, diseases, infirmities, and burdens of tiredness and brokenness. Your body is important to God. That is why there is a salvation for your body. The salvation of your body means that you are free from: the bondages of sickness, diseases, infirmities, burdens of restlessness, and freedom from physical death. You need to understand these realities and put them to work as well.

Proclamation

- First, as you speak in tongues declare that you are delivered from the effects of death in your body, and from sicknesses, as well as tired burdens that break your body.
- Declare also in the name of Jesus Christ that as you speak in tongues, your body is vitalized by the Holy Spirit. And as a result of that, you live above all the limitations aforementioned.

THE POWER OVER DEATH AND SICKNESS

The Spirit of God, who raised Jesus from the dead, lives in you. And just as God raised Christ Jesus from the dead, he will give life to your mortal bodies by this same Spirit living within you

**Romans
8:11 NLT**

When God was manifesting the glory of the salvation of your body, the scriptures reveal that He placed the Holy Spirit within the vessel of our body. The Holy Spirit actually lives in the body of anyone who has received salvation. The purpose is so that your body can house the very presence of God — and that's the true essence of Christianity.

If your body houses the very Spirit of God, then like we see in the verse above, it is revitalized. It is made alive by the power of the Holy Spirit, redeeming it from death and

sicknesses. When Jesus died, the Bible says He was resurrected from the dead by the glory of the Father. And the Holy Spirit quickened His dead body. The Bible says after three days He arose, being energized by the Spirit.

In the same way, the Spirit of God lives in you. He is the salvation in your body. He's the sign that you have been delivered from the power of death and its manifestations. Therefore you have to make use of this reality.

Prayer Instruction

- Speak in tongues fervently as you stir up the Holy Spirit inside you.
- Speak in tongues for the next 10 to 15 minutes and appropriate the benefits of what you have read today.

WORK OUT YOUR SALVATION

**...work out your own salvation with fear
and trembling**

**Philippians
2:12 ESV**

All that we have studied over the last few days are important for you to work out your salvation. And you have to do it with much revelation and in the knowledge of what we have received in Christ. You have to do your best to ensure that they are constantly working in your life. There has to be a living environment for you, for you to benefit from the fullness of salvation. And for your whole spirit, soul, and body to be presented perfect before God.

The only way you can actually work out your own salvation is by getting up to do the work of meditation and prophesying. That is the work of salvation. It means that

you are putting in an effort to appropriate the benefits of all that you have received in Christ; not willing that you should lose it.

The salvation of your spirit, for instance, was given to you by your acceptance of the Lord Jesus Christ and His sacrifice on the cross. You have to appropriate that benefit by meditating on it — by meditating on the meaning of what He did in your life — so that its benefits can be appropriated. That also means that you will not presume on the grace that you have received at your salvation. Nor will you walk in the way of this world.

The same is with your soul and with your body. You need to meditate on the scriptures and put them to work, so that you can come to the full terms of valuing your salvation. Remember that you have been brought into fellowship with God and with His Son Jesus Christ.

Proclamation

I take advantage of the glorious salvation in my life. On all three levels — spirit, soul, and body — I walk in this full manifestation. I value the reality of my salvation and I appropriate its benefits to the fullness of the life that God has called me into. That I may have life, and have it more abundantly.

THE PRAYER OF THANKSGIVING

That I may proclaim with the voice of
thanksgiving, And tell of all Your
wondrous works

Psalm
26:7NJV

Thanksgiving is one of the most important aspects of working your faith out. When you spend special times in prayer thanking God for some essential spiritual realities — like your fellowship with Himself and His Son Jesus Christ, the salvation that He gave you, the gift of the Holy Spirit, as well as the happenings of things in your life and your future — you exercise your faith. When you give thanks on those lines, you become an active believer setting yourself for greater graces.

The prayer of thanksgiving, positions you to receive more grace from God for the next level of your life. What you learn to do, is to thank Him for what He's done in your life and for the Words He has spoken concerning your life.

So if you are thanking God for the gift of health in your body, your faith is released so as to receive the perfection of such health in your body, even if you may be experiencing any health challenge in your body, such a declaration and thanksgiving could alter it. Thanking God for what His Word says, especially for your provision, is yet still another way you can exercise your faith and receive from God. All these are essential to the practice and growth of your faith.

Proclamation

Father, I thank You for the gift of life, for the fellowship You have given me with Yourself and with Your Son Jesus Christ. Thank You for the Holy Spirit who is in my life, who brings me all the verities of my salvation and the fullness of my blessing in Christ.

THE MASSIVE SHIFTS ARE TAKING PLACE

**In that day he will be your sure foundation,
providing a rich store of salvation, wisdom,
and knowledge. The fear of the LORD will be
your treasure.**

**Isaiah 33:6
NLT**

Massive things are taking place all over the world. There is a great divine mobilization of the body of Christ to confront the greatest times of evil that have come upon the earth. And at such an important and crucial time, it is very vital that as believers we are up and prompt to respond to the shiftings that are going on.

The season that we have embraced now will be a great season of judgement and at the same time of glory. Many who are in high places will be brought low because of the

pride of life. Some of the systems that we have known up until now are going to experience a drastic shift and change. Many will not see this coming.

But essentially for you who is a child of God — born by prophecy and preserved by the word of prophecy — you need to be conscious and aware. Do not only pray, but begin to make certain preparations for the time we are entering.

As the verse above reveals, **'it is wisdom that will be the stability of our times'** so your practical knowledge and spiritual wisdom should rather increase as we enter into the most pressing hour.

Prayer instruction

I take advantage of the work of the Spirit in my through wisdom. I'm prompt to receive guidance from the Spirit about the time we find ourselves in. I refuse to be casual. Rather, I take advantage His in accomplishing my purpose in God's divine calendar.
